

Cambridge 3rd May 1841

Dear Sir

When we last talked upon the subject of a
 treaty between us for this part of the property the expectation was
 confined to a purchase alone. because it was then probable
 that under such any Son would acquire it. but as he has now
 started to reside at Spring Vale & leave there. this plan is again
 open to be considered. and I believe I may now also suggest
 the Ashley Grants to Mr. Cotton & myself would desire to
 treat for those lands with or without the Peck Grants.
 This is private between us.

Yours truly

James R. R. R.
